A Rotary Club Community Service to Promote Cultural Affairs

www.elrotaryclub.org

What is Rotary?

Rotary is made up of three parts: at the heart of Rotary are our clubs, are supported by Rotary International and The Rotary Foundation.

Rotary clubs bring together dedicated individuals to exchange ideas, build relationships, and take action.

Rotary International supports Rotary clubs worldwide by coordinating global programs, campaigns, and initiatives.

The Rotary Foundation uses generous donations to fund projects by Rotarians and our partners in communities around the world. As a nonprofit, all of the Foundation's funding comes from voluntary contributions made by Rotarians and friends who share our vision of a better world.

Together, Rotary clubs, Rotary International, and The Rotary Foundation work to make lasting improvements in our communities and around the world.

Our partners

When Rotary partners with other organizations, we multiply the impact made by either group on their own. We call this “the Rotary effect.” From local food banks to global humanitarian organizations, we work with a wide variety of partners, including:

- Bill & Melinda Gates Foundation**
- Centers for Disease Control and Prevention**
- Global Food Banking Network**
- Shelter Box**
- UNESCO-IHE**
- UNICEF**
- United Nations**
- World Health Organization**

Rotarians are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more.

Do you know what Rotary is doing in your community – and around the world?

Rotary members unite at home and across the globe to put our experience and knowledge to work tackling our most pressing challenges. We focus our efforts in six areas: promoting peace, preventing diseases, providing access to clean water and sanitation, enhancing maternal and child health, improving basic education and literacy, and helping communities develop.

We are especially dedicated to ending polio in our lifetimes. Rotary members have persevered in this fight since 1979 and have now helped eradicate polio in all but three countries worldwide.

When you give to Rotary, you support the work we do in your community and around the world. We are a responsible organization that uses nearly 90% of our funding for program expenses.

Optimism about eradicating the disease for good, tempered by caution

Africa goes one year without a new case.

Rotary is working to eliminate polio village by village, country by country, and continent by continent. As recently as 1988, polio was paralyzing nearly 1,000 children every day around the world. Since then, Rotary members have led the way in raising funds, advocating for government support, building awareness, and mobilizing volunteers on the ground for massive immunization campaigns.

The fruit of these efforts is evident in the numbers: In the first half of 2015, there were fewer than 40 new polio cases worldwide.

The latest victory comes in Africa, where the last reported case of polio caused by the wild poliovirus occurred in August 2014. If there are no new cases, the World Health Organization can certify Africa as polio-free in 2017.

Despite such impressive gains, the job is not yet finished around the world. Polio is stubbornly hanging on in Pakistan and Afghanistan.

"We cannot wind down our efforts now. We need to continue immunizing until the last country is certified polio-free, and thereafter," says Dr. Tunji Funsho, chair of Rotary's Nigeria PolioPlus Committee. "As long as the virus remains anywhere in the world, it is only a plane ride away."

President's Concert Message

Welcome to our 34th annual Rotary Summer Concert Series! Our concert committee and club members have assembled a diverse and lively lineup of bands for your entertainment. For so many of us, it's a tradition on Wednesday nights in the summer to come to the high school and enjoy music, family and friends. Local businesses have shown their support for the community by sponsoring a performance, or by placing an ad in our program. This collaboration is just a glimpse of the partnership between the East Longmeadow Rotary Club and the people we want to support: you!

The East Longmeadow Rotary Club is part of Rotary International, which is a global organization consisting of more than 35,000 Rotary clubs around the world. Collectively, we work to make lasting contributions in our local communities and around the world. The Rotary motto is "Service Above Self."

Our club was chartered in East Longmeadow in 1970. Over the years, our club's Rotarians have been involved in a multitude of local activities that have enriched the lives of people living in East Longmeadow. Each year, Rotary International adopts a theme; this year's incoming president, Mark Daniel Maloney, announced that this year's theme is "Rotary Connects the World." The East Longmeadow Rotary Club wants to support this sentiment, beginning close to home, by connecting to this community. It starts with this Summer Concert Series, followed by the 4th of July Carnival and July 3rd fireworks. We'll also participate in National Night Out, sponsor Celebrate East Longmeadow and present scholarships to high school seniors. Our club's energies extend internationally; for example, Rotary fights to eliminate polio, and supports programs to feed the hungry and provide clean water to people that don't have that luxury.

Another important element in connecting to our community is Rotary's ability to adapt to the fast paced changes in today's world. Do you want to help the East Longmeadow Rotary Club accomplish this, and continue to make a difference, all while having fun? If you do, I welcome you to approach any club member during a concert, or to be my guest for lunch any Thursday at 12:15 at Twin Hills Country Club. You can also visit www.elrotaryclub.org to learn more about our club.

Thank you for attending the Summer Concert Series - we hope you enjoy the music!

The Eagles Experience
Sponsored by PeoplesBank
& LENOX

THE EAGLES EXPERIENCE aims to be the most authentic tribute show to the Eagles available today. There are many great bands on the road that market themselves as a “Tribute to the Eagles” or a “Tribute to Eagles music,” but this does not make them an actual “TRIBUTE SHOW.” With a one-to-one lineup that reflects the Eagles during their heyday in the late 1970s, the members of THE EAGLES EXPERIENCE each emulate their respective “Eagle,” playing the correct instrument and singing the songs as sung by their protege. Every member of THE EAGLES EXPERIENCE is dedicated to presenting their part as accurately as possible and will provide you with an ultimate “Eagles Experience” you will not soon forget.

THE EAGLES EXPERIENCE only plays songs written and recorded by the Eagles as a band, from their biggest hits to hidden gems. While there were many great songs by Don Henley, Glenn Frey, and Joe Walsh as solo artists, the Eagles created more than enough musical material to fill an entire evening, and then some.

Rick Larrimore & Blondes Have More Fun...
Sponsored by United Bank

Rick grew up outside of Baltimore playing drums and singing professionally since the age of 14. Rick was inspired by The Beatles, Led Zeppelin and most notably by a very young Rod Stewart when Rod was with Jeff Beck. "I'd listen to Rod sing "Let Me Love You" with my ear jammed right against one of the speakers so I wouldn't disturb my mom and sisters".

After attending The Berklee College of Music in Boston, Rick never looked back. He hit the "Rock 'n Roll" highway singing and playing drums throughout America. He has shared the stage with countless top national acts while always refining that raspy Rod Stewart vocal style. Rick naturally credits his vocal style to Rod, as well as a fondness for Paul Rodgers of Bad Company, and his all time favorite performer, Jackie Wilson. "Jackie was THE performer before James Brown and Michael Jackson and could also sing every single note! I would like to think I have a hint of Jackie Wilson in my stage persona." But it's Rick's uncanny interpretation of Rod Stewart that has mesmerized and fooled so many in his audiences even to the extreme of audience members shooting entire rolls of film before they learn it's not the "real" Rod Stewart!

While Rick's vocal style is definitely convincing, it's his physical resemblance to Rod that seals the deal. In airports and restaurants, Rick is always being asked for autographs and pictures. Even Arturo Sandoval, renowned trumpet player featured on Rod's Classic CDs and DVDs, was taken aback when he ran into Rick outside a casino show. Mr. Sandoval's comment was ... "Wow, you DO look like Rod"!

Currently Rick is in production of an original CD with an expected release in early 2013. The CD includes a very early "Rod-like" ditty entitled "Sweet Loretta", already a big hit at Rick's live shows.

In less than five years, the "Ultimate" Tribute to Rod Stewart featuring "Blondes Have More Fun", Rick's dynamic six piece backup band, has created a major buzz from Las Vegas to Rio de Janeiro! As Rick says, "I invite you to come see for yourself...and accept NO substitutes!!..well, maybe one".

Good Acoustics

**Sponsored by Law Offices of Attorney Sarah Miller
& Bay Path University**

Comprised of Western Massachusetts educators Mike Smith, Dave Fazio, and Bill DeSanty, “Good Acoustics” is a rock-solid trio of seasoned vocalist and musicians with the versatility to perform everything from vocal favorites by Crosby Stills & Nash, Eagles, and America to rocking classics from Journey, Springsteen, and Steve Miller. They’ll even throw in a bit of country, reggae, Motown, oldies, rap, & Irish

tunes when the mood strikes! Their acoustic-style covers span hits from the 50s through today with an emphasis on the 70s & 80s. Mike, a music teacher from Longmeadow and guitar virtuoso, has high tenor vocals reminiscent of Steve Perry and Sting. Dave, a teacher in Agawam, handles the bass guitar with edgy vocals that bring to mind those of John Mellencamp and Van Morrison. Bill, who teaches music in Palmer, rounds out the trio. His drumming style combines the finesse of Phil Collins and the power of Steve Gadd, while his vocal style is reminiscent of James Taylor. These three performers have been tearing it up with many local bands up and down the east coast for more than 30 years. In addition, “Good Acoustics” has also been performing as tribute artists to Simon & Garfunkel and James Taylor for the past 3 years. Now celebrating their eleventh year together, the band rocks like they’ve never been apart!

In perfect harmony...

A-Ray of Elvis

Sponsored by CareOne at Redstone

Ray Guillemette Jr. is one of today's leading, premier, Elvis Tribute Artists. He is a 10-time, International 1st place Elvis Presley Impersonator rock your world or event with his striking look, outstanding vocal range and unabashed excitement. Ray delivers with the style and energy that was Elvis.

When Elvis Aaron Presley died on August 16th, 1977, Ray was just 8 years old...but he was already familiar with the words and the music of "the king of rock 'n roll". This music would be the only music the young boy would listen to until he was 12 years old. Even at that age, Ray understood that it was more than the music that made Elvis, "ELVIS!" It was the underlying desire, he (Elvis) had to make people, to make his fans feel special, to entertain their troubles away & to reach beyond the stage!

Throughout the 1990's Ray continued to develop his tribute presentation with the movements, mannerisms, and nuances typical of Elvis. The last 16 years has brought Ray nine more 1st place awards throughout North America, and earned him the respect of both his peers and the professionals that worked and played with Elvis.

Ray's objective was and continues to be met. Feel the energy, Rekindle the memories & Experience the magic!

Rotary gives \$53.5 million to help eradicate polio

EVANSTON, Ill. (Jan. 25, 2018) — With 22 confirmed cases in 2017 to date, and just one case in 2018, the world is on the brink of eradicating polio, a vaccine-preventable disease that once paralyzed hundreds of thousands of children each year.

Rotary gives \$53.5 million to help eradicate polio and challenges the world to continue the fight to end the disease. Rotary is giving \$53.5 million in grants to support immunization and surveillance activities led by the Global Polio Eradication Initiative (GPEI).

More than half of the funds will support efforts to end polio in two of the three countries where polio remains endemic:

Afghanistan: \$12.03 million & Pakistan: \$19.31 million

Further funding will support efforts to keep 10 vulnerable countries polio-free:

Cameroon: \$1.61 million, Central African Republic: \$428,000, Chad: \$2.33 million

The Democratic Republic of Congo: \$6.48 million & Ethiopia: \$1.82 million

Iraq: \$2 million & Niger: \$1.71 million, Somalia: \$3.29 million

South Sudan: \$835,300, Syria: \$428,000

An additional \$731,338 will fund research to be conducted by the World Health Organization (WHO), and **another \$518,000** will go toward technical assistance in West and Central Africa.

While significant strides have been made against the disease, polio remains a threat in hard-to-reach and underserved areas and conflict zones. Despite a historically low case count, as long as a single child has polio, all children are at risk, which underscores the need for continued funding and political commitment to eradication.

Rotary has committed to raising \$150 million over the next three years, which will be matched 2-to-1 by the Bill & Melinda Gates Foundation, yielding \$450 million for polio eradication activities, including immunization and surveillance.

Rotary started its polio eradication program PolioPlus in 1985, and in 1988 became a partner in the GPEI, along with WHO, UNICEF, and the U.S. Centers for Disease Control and Prevention. The Bill & Melinda Gates Foundation later became a partner. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases in 1988 to just 22 confirmed cases in 2017 (as of 25 January). Rotary has contributed a total of more than \$1.7 billion — including matching funds from the Gates Foundation — and countless volunteer hours to protect more than 2.5 billion children in 122 countries from polio.

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world. Visit Rotary.org and end-polio.org for more about Rotary and its efforts to eradicate polio. Video and still images are available on the Rotary Media Center.

UnionJack, A British Invasion Band
Sponsored by Westfield Bank
& BKaye Realty

Featuring the look and sounds of the 1960's British Invasion era, UnionJack takes you back to the days of The Beatles, Rolling Stones, Kinks, Hollies, Searchers and the many others that followed these great groups. A five-piece band, UnionJack was one of Western Mass' original "tribute" bands formed in 1979. After years of performing with other bands, UJ's members reformed in 2002. The current lineup features: Gary Wilkinson of Belchertown, (guitar, vocals), Dave Lempke, (Holyoke), (drums, vocals), Jim Brown , (South Hadley), (guitar, vocals), Bob Freund, (Chester) (bass, vocals), and Renee' Spizz, (Chester) (Keyboards, vocals). Wilkinson's lead vocals on classic Beatles' tunes have always been the band's strength, along with some great material and more than a little bit of humor. UnionJack follows the history of the British Invasion from the early days of "Beatlemania" through the end of the decade. In addition to those mentioned above UnionJack also features tunes by the Yardbirds, Badfinger, Dave Clark 5, and many others. The band also performs an "American Graffiti" set, featuring music from "American Artists" popular during the same period; the Monkees, Credence Clearwater Revival, Grass Roots, Rascals, Neil Diamond, and many others. UnionJack has had the pleasure over the years of being the opening act for: Bo Diddley, The Fifth Dimension, The Band, The Commodores, The Wilkinsons, Ritchie Havens, and many others.

The bottom line is that this band is fun to listen to!

Dan Kane & Friends

**Sponsored by Orchard Family Dental, LLC
& A.W. Browns**

The Dan Kane Singers were a beloved 150 member singing group who called Springfield Symphony Hall and the MassMutual Center home for years. Their huge sold out concerts were sponsored by Peter Pan and The Big Y Corporations. The adult group proudly showcased fantas-

tic adult singers while upcoming young stars spotlighting their incredible talents.

This reputation continues today with Dan Kane and Friends. Dan has been a teacher in the Westfield Public School system for over 33 years. He performed for President Bill Clinton in Washington, produced a Christmas TV special on public TV57 and has recorded dozens of CDs with the areas' best musicians and singers.

Singing Camp... This incredible 2 week summer singing program in July is celebrating its 15th season this year. Children from all over western Massachusetts have fun singing, playing keyboard, playing guitar, dancing as well as practicing solo and chorus singing.

Camp builds friendships, self-confidence and every camper receives a CD and songbook featuring a wide variety of songs to be learned. Several teachers and counselors bring years of professional experience to the program.

Dan specializes in helping young singers both beginners and pros from ages 6-16. His proven record of helping young students achieve their greatest potential is renowned. Many of his students have gone on to unbelievable professional careers on Broadway and beyond.

Dan has the rare ability to take these students out into the real world to perform with his busy performers, Dan Kane and Friends. No singer of any age can develop fully without having a public audience who is real through real world singing experiences.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Rotarian's
4-Way Test
of the things we think, say or do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and better friendships?
4. Will it be **BENEFICIAL** to all concerned?

Much Appreciation from East Longmeadow Rotary to:

Gordon Smith, Superintendent; Pamela Blair, Assistant Superintendent for Business
Gina Flanagan, ELHS Principal; Theresa Hellyer, Principal's Secretary
for providing the facilities for people to come and enjoy our Summer Concert Series.
