What is Rotary?

Rotary is made up of three parts: at the heart of Rotary are our Clubs, supported by Rotary International and The Rotary Foundation.

Rotary Clubs bring together dedicated individuals to exchange ideas, build relationships, and take action.

Rotary International supports Rotary Clubs worldwide by coordinating global programs, campaigns, and initiatives.

The **Rotary Foundation** uses generous donations to fund projects by Rotarians and our partners in communities around the world. As a nonprofit, all of the Foundation's funding comes from voluntary contributions made by Rotarians and friends who share our vision of a better world.

Together, Rotary Clubs, Rotary International, and The Rotary Foundation work to make lasting improvements in our communities and around the world.

Our Partners

When Rotary partners with other organizations, we multiply the impact made by either group on their own. We call this "the Rotary effect." From local food banks to global humanitarian organizations, we work with a wide variety of partners, including:

- *Bill & Melinda Gates Foundation*
- *Centers for Disease Control and Prevention*
- *Global Food Banking Network*
- *Shelter Box*
- *UNESCO-IHE*
- *UNICEF*
- *United Nations*
- *World Health Organization*

Rotarians are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more.

**SERVE TO
CHANGE LIVES**

East Longmeadow Rotary President's Message

WELCOME BACK EAST LONGMEADOW and our local community friends! Following what everyone endured the past 15 months, the East Longmeadow Rotary Club is eager to pick up where we left off, working with the community to make East Longmeadow a better place to live, work and share special times with family and friends.

We would like to thank our community partners and collaborators from our Rotary Year 2020-2021. The East Longmeadow Rotary Club, chartered in 1970, is part of Rotary International, which is a global organization consisting of more than 35,000 Rotary clubs around the world. Collectively, we work to make lasting contributions not only in our local communities, but around the world. For example, to name a just a few, Rotary contributes to international efforts to eliminate polio, feed the hungry and provide clean water to people that do not have that luxury.

Our club meets Thursdays at 12:15 at Twin Hills Country Club. Please be my guest at lunch if you're considering becoming a member, or you want to learn more about the organization.

Thank you for your overwhelming support!

Jay Seyler, President
2021-2021, East Longmeadow Rotary Club President

Do you know what Rotary is doing to make a difference in your community and around the world?

MISSION: We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through fellowship of business, professional, and community leaders.

VISION STATEMENT: Together, we see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves.

Solving real problems takes real effort, commitment, and vision. Rotarians are people of action. For over 110 years, Rotary has been bridging cultures and connecting to work on Rotary Areas of Focus, including:

- Promoting Peace
- Fighting Disease
- Providing Clean Water and Sanitation
- Saving Mothers and Children
- Supporting Literacy and Education
- Growing Local Economies
- Protecting the Environment

We are especially dedicated to ending polio in our lifetimes. Rotary members have persevered in this fight since 1979. On August 25, 2020, Rotary reached a historical and vital step toward global eradication of polio. Transmission of the wild poliovirus has officially been stopped in all 47 countries of the African region!

During the COVID 19 pandemic, Rotary clubs and members have raised funds to purchase protective gear and equipment to find the spread. As part of Rotary International's Million Mask Challenge, our East Longmeadow Club distributed 3,000 medical masks to over 20 local organizations.

Rotary is a volunteer organization with over 1.2 million global members in over 35,000 worldwide clubs. Members volunteer over 16 million hours per year. When you give to Rotary, you support the work we do in your community and around the world. Have you considered joining a responsible organization like Rotary to "Serve Above Self"?

Formed in 2011 focusing on Modern Country, Trailer Trash has quickly grown to be the most popular band in the area. Trailer Trash's members have been playing in a variety of groups for 20+ years together. The years of performing experience that the band has, has led them to one simple philosophy, "A good song, is a good song, regardless of what Genre it is labeled as". That being said, the band will mix in a few classic and modern rock songs, pop songs, favorites from the '70's and classic country, with the majority being today's country hits. We challenge you to sit still at one of our shows!

A-Ray of Elvis, Ray Guillemette Jr.
*Sponsored by Delaney's Market
and American Healthy Homes*

Ray Guillemette Jr. is one of today's leading, premier, Elvis Tribute Artists. He is a 10-time, International 1st place Elvis Presley Impersonator rock your world or event with his striking look, outstanding vocal range and unabashed excitement. Ray delivers with the style and energy that was Elvis.

When Elvis Aaron Presley died on August 16th, 1977, Ray was just 8 years old...but he was already familiar with the words and the music of “the

king of rock 'n roll”. This music would be the only music the young boy would listen to until he was 12 years old. Even at that age, Ray understood that it was more than the music that made Elvis, “ELVIS!” It was the underlying desire, he (Elvis) had to make people, to make his fans feel special, to entertain their troubles away & to reach beyond the stage!

Throughout the 1990's Ray continued to develop his tribute presentation with the movements, mannerisms, and nuances typical of Elvis. The last 16 years has brought Ray nine more 1st place awards throughout North America, and earned him the respect of both his peers and the professionals that worked and played with Elvis.

Ray's objective was and continues to be met. Feel the energy, Rekindle the memories & Experience the magic!

The Eagles Experience
Sponsored by CareOne Redstone

THE EAGLES EXPERIENCE aims to be the most authentic tribute show to the Eagles available today. There are many great bands on the road that market themselves as a “Tribute to the Eagles” or a “Tribute to Eagles music,” but this does not make them an actual “TRIBUTE SHOW.” With a one-to-one lineup that reflects the Eagles during their heyday in the late 1970s, the members of THE EAGLES EXPERIENCE each emulate their respective “Eagle,” playing the correct instrument and singing the songs as sung by their protege. Every member of THE EAGLES EXPERIENCE is dedicated to presenting their part as accurately as possible and will provide you with an ultimate “Eagles Experience” you will not soon forget.

THE EAGLES EXPERIENCE only plays songs written and recorded by the Eagles as a band, from their biggest hits to hidden gems. While there were many great songs by Don Henley, Glenn Frey, and Joe Walsh as solo artists, the Eagles created more than enough musical material to fill an entire evening, and then some.

Dane Kane & Friends

*Sponsored by Orchard Family Dental, LLC
and Westfield Bank*

The Dan Kane Singers have been a favorite in the valley for over 40 years. Their sold out Christmas Shows at Symphony Hall and The MassMutual Center are a rare musical accomplishment. Throughout the years they have enjoyed a wonderful partnership with The Big Y Corporation as well as The Peter Ban Bus Company. When the large Dan Kane Singers group ended, a new group was formed.

Dan Kane and Friends are a smaller sub group of the 150 member singing group. They perform Pop, Jazz, Standards and Broadway classics. They range in age from very young new talent to seasoned veteran pros.

Dan has mentored the top young talent in Western Massachusetts. Several of his young singers have been on the famed TV Talent Shows, they have been on Broadway, even have been front and center at the Red Sox games along with endless local venues.

Throughout their career they have raised hundreds of thousands of dollars for many local charities. They continue that mission today. Nothing gives them more pleasure then to be with the audience they love sharing some of the greatest songs ever written.

It is so wonderful to be back in East Longmeadow!

Good Acoustics

*Sponsored by Sarah A Miller, PC
and Premier Source Credit Union*

Comprised of Western Massachusetts natives Mike Smith, Dave Fazio, and Bill DeSanty, 'Good Acoustics' is a rock-solid trio of seasoned musicians with the versatility to perform everything from vocal favorites by Eagles, CSN, and America to hard-driving tunes by Journey, Bruce Springsteen, and The Steve Miller Band. They also throw in some pop, country, reggae, Motown, oldies, rap, & even a few Irish pub tunes for good measure!

Mike's high tenor vocals are reminiscent of Steve Perry and Sting while his guitar playing dazzles the audience. Dave, keeping things solid on bass guitar, has edgy vocals that bring to mind those of John Mellencamp and Van Morrison. Bill rounds out the trio. His drumming style combines the finesse of Phil Collins and the power of Steve Gadd, while his smooth vocal style soothes the crowd.

Their acoustic-style covers span hits from the 1950's through today with an emphasis on the 70's, 80's, & 90's. Additionally, 'Good Acoustics' has also been performing a tribute show to Simon & Garfunkel and James Taylor. They perform all the Simon & Garfunkel favorites including Sounds of Silence, The Boxer, Mrs. Robinson, Homeward Bound, Cecilia, America, and many more, as well as the beloved hits by James Taylor such as You've Got a Friend, Fire & Rain, Mexico, How Sweet it Is, Shower the People, and Carolina in My Mind, just to name a few...This show is not to be missed!

These three musicians have been performing individually with many local bands up and down the east coast for more than 35 years. Celebrating over fifteen years together as a trio, 'Good Acoustics' delivers engaging and interactive performances that fans will remember for years to come!

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST
of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
